IT IS COLD! PLEASE SEND YOUR CHILD WITH APPROPRIATE OUTERWEAR EVERY DAY!

Hi Families! Next month is going to be super busy and fun at our school. It is I Love To Read month and we have a lot of fun activities planned for students. More information will be coming home soon regarding the school-wide activities so be on the lookout!

We will be studying our favorite authors for all of February, as well as beginning our letter writing unit. I will also be having a fun "Reading Olympics" in the classroom. We will be switching out our traditional reading log for the month. That will come home soon with instructions.

We will do a Valentines Day Exchange on the 12th in the afternoon. Students do NOT need to write each other's names, but a list can be found on my classroom website. We will decorate bags in class so please do not send in a decorated box.

We will also be holding a students only Winter Carnival event the morning of the 26th. This is different from our last few where parents joined us. We will have some olympic-style events and there will be medals awarded in the afternoon before students go home and conferences start.

If you have any questions or concerns, please let me know!
