PLEASE SEND A WATER BOTTLE WITH  
YOU STUDENT EVERY DAY!

Hi Families! Our first few weeks are nearly at an end and while I know the kiddos are tired, they are having a lot of fun learning our class routines. September is a busy month! We will spend the majority of our time learning new rules and procedures, and review as necessary. We may be a small class, but we are mighty!

I am hoping to schedule a field trip to Lone Pine soon. If they are still being offered I will let you know ASAP. We would love to have parent chaperones! Please let me know if you would like to attend this field trip.

September 18th is our Pirate Day. Everyone is welcome to dress like a pirate (the teachers always go big!), although we ask that any weaponry be left at home!

Scholastic book orders are here. They are coming home today, and you can submit your order online only. They are due on Sept. 18th.

This is a great way to get books your kids want to read as well as help our classroom to earn books as well.

Don't hesitate to reach out to me if you need anything! Email is the quickest way of reaching me.
